

KATW New London Arrival

Arrival Instructions

Call Tower on 119.6 at New London.

From NEW LONDON head south along HWY 45 to the intersection of HWY 45 and HWY 10 (“US 10”). Maintain VFR at or below 2000’ MSL.

- Report US 10 inbound.
- From US 10 fly suggested heading 135° for 3.5 NM to the intersection of HWY 45 and County Road M (“MIKE”). Do NOT follow the 4-lane east/west highway; this HWY should remain north of you at all times.
- From MIKE fly suggested heading 095° for approximately 6.8 NM, remaining south of County Road M, to Neenah High School Rocket Field (“ROCKET”).
- Report ROCKET. Expect to receive further instructions from the Tower at ROCKET to either hold over ROCKET or to continue to QUARRY for landing clearance.
- From ROCKET fly suggested heading 030° to Quarry (“QUARRY”). This makes for a Left base entry to final for RWY 30.

Expect possible holding over at US 10, MIKE, or ROCKET. Listen carefully for follow-up instructions from ATW Tower at all times.

KATW Lake Butte Des Morts Arrival

Arrival Instructions

Call ATW Tower on 119.6 at Lake Butte Des Morts.

- From Lake Butte Des Morts (“BUTTE”) fly suggested heading 070° for approximately 5.7 NM to the I-41 and County Road GG (“GG”) overpass.
- Report GG inbound.
- At GG maintain VFR at or below 2000’ MSL.
- From GG fly suggested heading 005° direct to ROCKET for approximately 4.9 NM, staying on the west side of I-41.
- Report ROCKET. Expect to receive further instructions from the Tower at ROCKET to either hold over ROCKET or to continue to QUARRY for landing clearance.
- From ROCKET fly suggested heading 030° to QUARRY. This makes for a Left base entry to final for RWY 30.

Expect possible holding over BUTTE and GG. Listen carefully for follow-up instructions from ATW Tower at all times.

KATW VFR Holding Pattern

Holding Instructions

- From ROCKET maintain VFR at or above 2500' MSL and fly suggested heading 045° for approximately 4 NM to CLUB HOUSE.
- At CLUB HOUSE fly suggested heading 360° for approximately 3 NM to the I-41 and Capital Drive ("CAPITAL") overpass intersection.
- At CAPITAL fly suggested heading 095° for approximately 4.1 NM to the ThedaCare Clinic ("THEDA"). This will be just before a 4-lane north/south highway (HWY 441).
- At THEDA fly suggested heading 180° for approximately 3.1 NM to the HWY 441 and Calumet St intersection ("HOME DEPOT").
- Report HOME DEPOT. Tower will inform you whether to expect to continue hold or to expect landing clearance at CLUB HOUSE.
- At HOME DEPOT fly suggested heading 275° for approximately 4.2 NM to CLUB HOUSE.
- Report CLUB HOUSE and await instructions/clearance from Tower. If landing clearance is given at CLUB HOUSE, enter a right dogleg to final RWY 30.

Listen and be prepared for follow-on instructions from Tower at all times.
